

# FELICIA KIDS HOME

**HUBLI, KARNATAKA, INDIA**

Felicia Kids Home has been an operational Children's home that rescues orphan children from horrible circumstance's and provides them with not only food and eductaion but another chance at having a great life. We have been the hands and feet of Christ in this part of the world and thanks to your support both financially and through your prayers, we are able to continue this much needed ministry.

As a nation we are only just coming out of one of the worst lockdowns the world has ever witnessed and had it not been for your faithful support, It would have been extremely difficult to care for the Children. Thankyou for being obedient to the Lord in your giving and in doing so you have impacted the lives of these precious children in a way that we could never fully express.

The children, staff and everyone at Felicia kids would like to thank each of our wonderful donors for their support.
